The following are some common concerns being heard from members. Please rank these in order from the most concerning (top of the list) to the least concerning (bottom of the list).

- Technology (ticket status, communication of info, device issues, connectivity)
- Clear/consistent messaging from administration
- Learning/working with new programs/platforms
- Not enough time to get everything done
- Personal safety
- Enforcement of COVID-19 Protocols
- Inconsistent expectations of staff

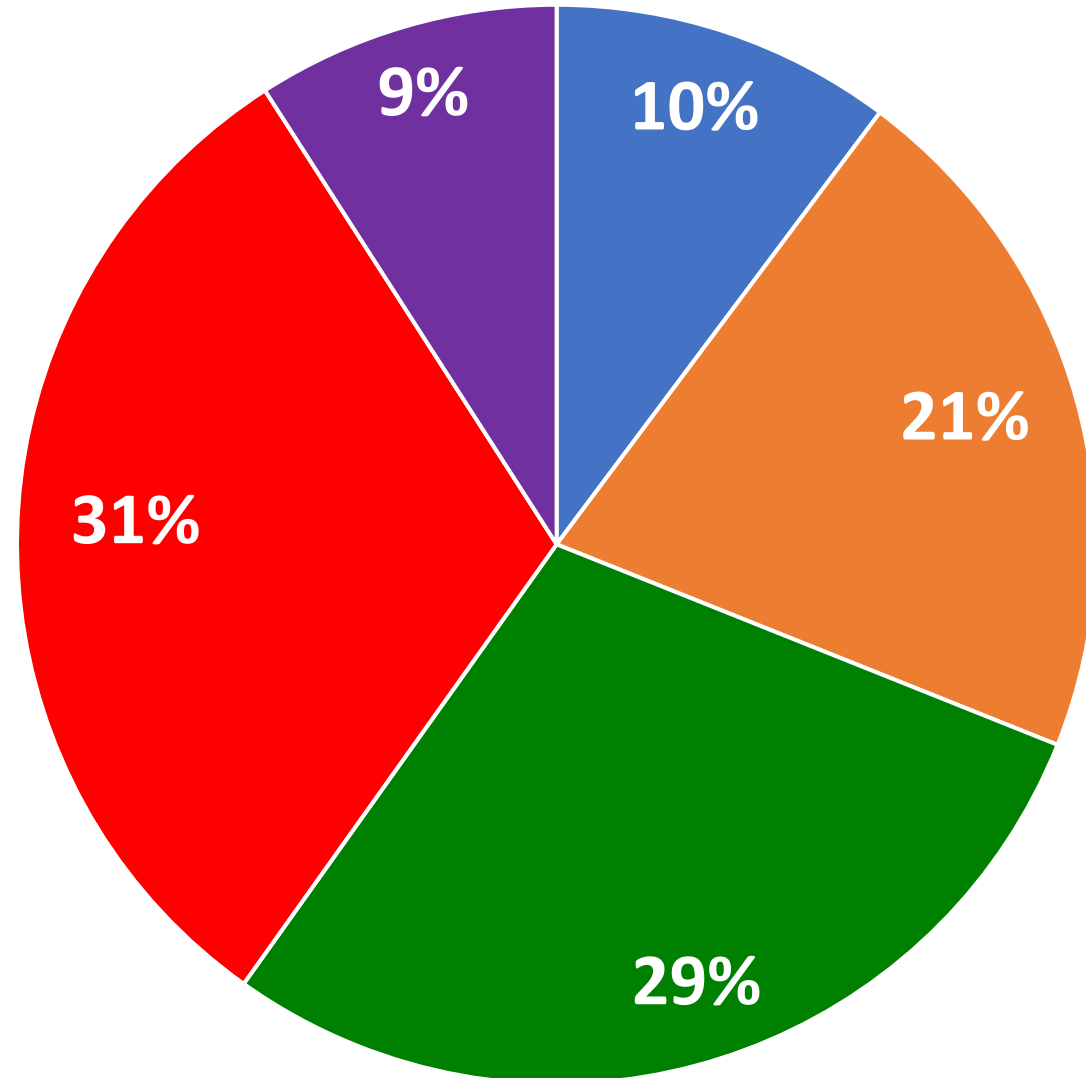

Overall Rank

1. Not enough time to get everything done
2. Personal safety
3. Clear/consistent messaging from administration
4. Technology (ticket status, communication of info, device issues, connectivity)
5. Learning/working with new programs/platforms
6. Inconsistent expectations of staff
7. Enforcement of COVID-19 Protocols

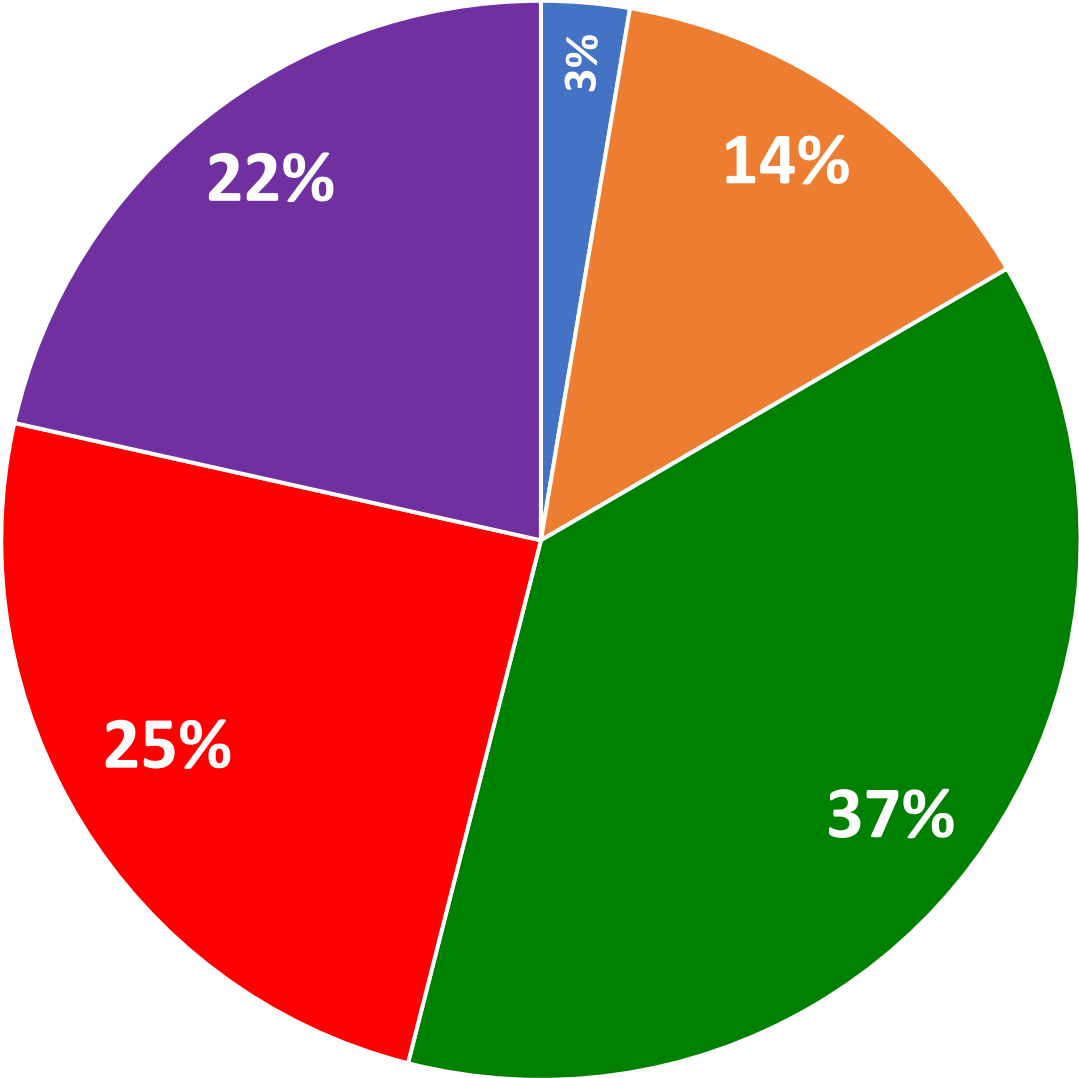

What is your overall opinion about students being back in the building now (priority students and CTC) and/or next month (K-5)?

- I'm so exciting to have students back in the building!
- I'm just happy to see students again.
- I'm nervous about having the students back.
- I don't think students should be back in the building.
- I'm not impacted by students being back in the building.

What is your overall opinion of the K-5 hybrid model (AM/PM) that was recently approved by the School Board?

- This is going to be great!
- I think it will work.
- I have concerns about the model.
- I don't like the model at all.
- I'm not impacted by the hybrid model.
