Subject: Enough of Dover Police Chief William Breault

Security Notice: External sender. Use caution with hyperlinks or attachments.

Hello,

Between his decision to discontinue the Dover Mounted Patrol and his temper tantrum regarding Amanda Grady Sexton's suggestion that an independent investigation into RJ Letendre would be more appropriate than having the Dover PD investigate one of their own, I have had enough of Dover Police Chief William Breault.

He needs to be reigned in if not terminated.

Thank you,
Andrew Townsend
