

PLANNING BOARD MEETING

September 21, 1955

A meeting of the Dover Planning Board was held in the Planning Board office on September 21, 1955.

Members present were: Hall, Labrie, McDonald, Nealley, Meserve, and DuBois.

Meeting was called to order by Chairman Meserve.

Moved by Labrie seconded by McDonald that reading of minutes of last meeting be dispensed with.

Petition of Louis L. Porter and others of Lake Street for construction of sewer facilities read by Chairman Meserve.

Moved by Labrie seconded by McDonald that this petition be approved and referred to Dover City Council.

Motion passed.

Moved by Labrie seconded by McDonald that petition of Leon and Ruth Chapman, September 1955, called Fayerweather Lane Development be referred to Director of Public Works, Supt. of Water Dept, and City Engineer, and report back.

Moved that petitioners be requested to furnish the Planning Board a statement of approval from the State Pollution Board for installation of septic tanks.

Motion passed.

Moved by Labrie seconded by McDonald that meeting be adjourned.

Motion passed.
