

SPECIAL PLANNING BOARD MEETING

January 28, 1958

Members present: McDonald, Meserve, Nealley, DuBois, LaBrie,
Fischer, and Farrar

Motion that the City Council authorize the Mayor to contract with the sanitary engineers on behalf of the Planning Board, to specifically study the various possibilities of providing sewerage for the Industrial Park so that the decision as to which route is most feasible and practical for the future overall growth of the City of Dover, can be made by the Planning Board as soon as possible.

Motion by Nealley, seconded by Fischer.

Vote unanimous

Moved by Fischer, seconded by McDonald

That the case of Wisley Smith who has purchased the property of Walter Brown of 116 Central Avenue, be turned over to the City Solicitor and if the use of the property of Smith is found to be non-conforming to the Zoning Ordinance that the proper legal action be taken by the City of Dover.

Respectfully submitted,

Arthur DuBois
Secretary
