DOVER 400

**The Mission of the Dover 400th
Committee is to honor our past,
celebrate our present, and inspire
our future through meaningful
and creative community
engagement.**

Proud Supporter Of

\$400 for 400

\$400 for 400 was started by City Councilor **Dennis Ciotti** as a drive to secure 400 contributions of \$400 in support of the Mission of Dover 400. So far, we have **56 donors!**

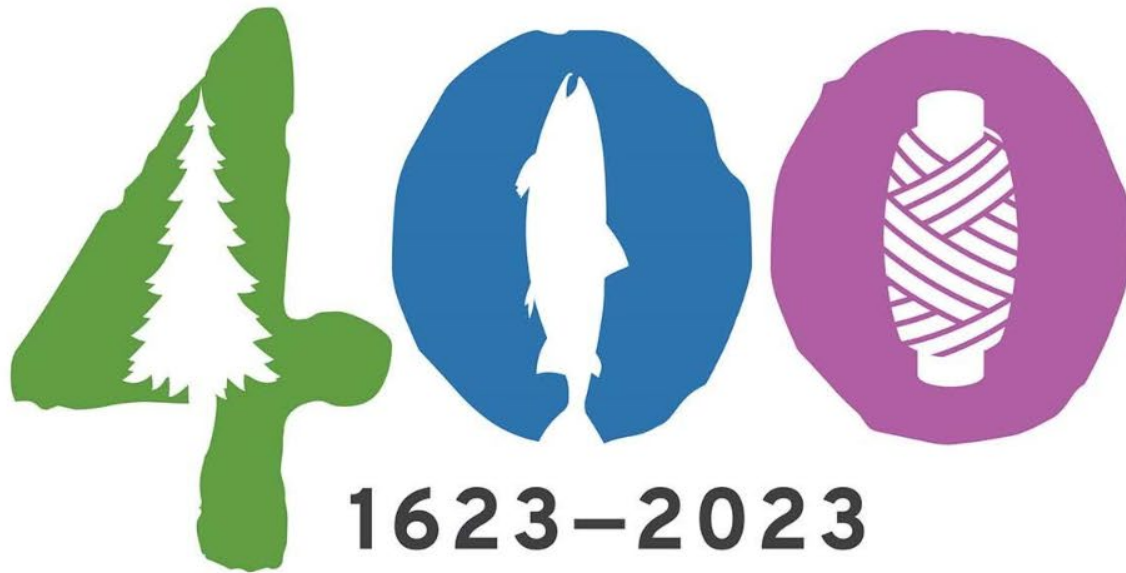

1623 Society

The 1623 Society was a contribution campaign suggested by **Stephen Roberts**, who has family ties back to Dover's original colonists. It is an excellent way to both donate in support of Dover400's mission and to honor personal connections to the history of the city.
