SOLD IN KIT FORM NATIONWIDE!

Equi-cover round pen cover. It can be permanently installed, or installed as a portable unit. This makes it ideal for professional trainers, and those who plan on new properties in the near future. The Equi-Cover Round Pen Cover comes in a kit form, is a multi-functional, all-weather facility, and provides a protected environment for you and your Horse.

The **Equi-cover** is designed to keep the harsh elements of sun, wind and rain at bay with the most attractive, durable, convenient and affordable cover on the market today! We all know how detrimental the weather can be in our working areas. You will have a comfortable working area for you and your horse. Some of the best products and hardware are used in the construction of this cover.

Our top priority is understanding your unique needs and exceeding your expectations by delivering remarkable service and constructing the highest quality equestrian facility possible.

-please refer to our [CONTRACT](#) for shipping and installation prices/procedures.
