June 23rd, 2023

Dear Principal Lyndes,

Please accept this letter as my formal notice of resignation as a 6th Grade Social Studies Teacher at Dover Middle School.

Due to unprecedented health and personal issues outside of my control, I will not be returning to the Dover School District for the 2023-2024 school year.

It has been a privilege to teach and serve the Dover School District these last 10 years. I have appreciated the guidance and support provided by my administration and colleagues during my teaching career in Dover.

I wish the faculty, staff, and students all the best for their future. Please contact me via phone or personal email should you have any further questions.

Sincerely,

Lauren Ashley Smith
