Jerrica,

We have a few changes that are happening on the Recreation front with members of the various board. First, Michael Young who is on the Arena Commission has been hired to work at the Arena as the new Program and Marketing Supervisor so he will not be able to fill the role on the Arena Commission as of his start date of 12/18/23. Other positions that need to be addressed are those filled by Shawn Mickelonis that he has on the Recreation Advisory Board and Pool Advisory Committee. He has not attended a single meeting on either of those boards since his appointment earlier this year. I called him months ago to see if he was going to be able to attend and he said that his work commitments are conflicting with the meeting dates and hope that would change but as of this month he has not made a meeting or contacted me to let me know any further updates on his status. Could you remove him from those boards due to lack of attendance and post those spots as available? Finally, Brian Murphy's term ended on the Recreation Advisory Board this month and he is not renewing so we have that spot open as well. Please let me know if you need anything else from me to start refilling these vacant positions on the boards.

Thanks,

Gary

Dear Jane,

I've had the best experience being on the Dover Arts Commission the past few years. Unfortunately, due to personal reasons, I'll have to step down effective immediately.

I would love to stay involved. Please keep me in mind for any projects that need a sub-committee. And I'm happy to volunteer for events that need people to man a table!

Thanks so much for all you do to make our wonderful city more beautiful!

My best,

Hello Norm,

Please accept this email as my formal resignation from CWDAC.
My time away since retiring has not been favorable to the boards meeting schedule so I think it only fair to allow someone with the appropriate time commitment to step in.
I have enjoyed working with the board in all my years being involved with the city.
The waterfront is finally coming to fruition and will be what we envisioned years ago.

Thank you,

The Honorable Mayor of Dover NH
Dear Mayor Carrier,

It is with some reluctance, that I resign my position with The Dover Utilities Commission effective immediately. I announced the resignation oat the December meeting, This letter is to confirm that announcement. Personal logistics is the major reason.

It has been a great pleasure and honor to serve on this board, which has oversight of the public water and sewer systems of the city. A major component in providing our residents a safe and comfortable place to live.

I wish to thank the citizens of Dover for allowing me the opportunity to serve.

Sincerely,

Otis E Perry

Hi Jerrica,

Is it possible for George DeBoer (currently an Alternate) to move to the vacant full member seat on the Planning Board (Hayley Harmon resigned at the end of 2023). Then we will have one vacant alternate member. Also, Mark Speidel was elected Vice Chair last night and Gina Cruikshank will stay Chair- if you can have the website updated?

Thanks!
