Subject: Note about not returning in Sept.

Dear Superintendent Harbron and Dean Dube,

Please accept this letter as my notification that I will not be returning in September for the 2024/25 school year. I am grateful for what will end up being two and a half years teaching 6th grade at DMS. I appreciate my hard-working colleagues and the districts concerted efforts to show up for students and their families every day.

Thank you again for the opportunity to work for the Dover School District. I wish the school, the staff, and the students all the best in the future.

Respectfully,

Diane Murphy
