

CITY OF DOVER

AD HOC SUBCOMMITTEE TO ADDRESS FEASIBILITY STUDY MINUTES

Meeting Type: Ad Hoc Meeting
Meeting Location: 271 Mast Road, Dover, NH
Meeting Date: **Tuesday, September 24, 2024**
Meeting Time: **4:00 pm**

Members Present: Chairman Dave Dinzeo, Doug Kemp

Staff Present: Mike Moore, Solid Waste Coordinator; Nancy Usbelger, Recording Secretary

Members Absent: Bill Stafford

1. Call to Order

The meeting was called to order at 4:02 p.m.

2. Utility Billing

A. Results of Surrounding Communities Using Toters

Moore went over additional information that he gathered from other towns. He did share that Concord is the only City using bags and toters together.

Kemp brought up the question of recycling center charges. He stressed the importance of getting money to fund an additional person to work the recycling center.

B. Development of Utility Billing Model

Moore shared how some towns and cities are sliding these additional fees in with water and sewer bills at the same time, whereas some towns and cities are charging them in their taxes.

C. Bag Buy Back

Dinzeo shared his feelings that there should be no buy back for City of Dover Trash Bags that haven't been used. There should be adequate time for people to use them as we roll into the new way of trash and recyclable disposal.

Kemp asked about getting toters for Apple Harvest Day to show residents along with a flyer and survey. He also suggested letting people know this is what the city hopes to be moving towards in the next 36 months. He also asked if Pete LaChapelle could maybe meet with us two weeks before November 1st.

Moore shared that he will reach out to Pete LaChapelle from Waste Management to inquire about bringing us 3 different size toters for Apple Harvest Day to show residents the different sizes and ask what most residents would use.

3. Future Meeting Date

October 8, 2024

October 15, 2024

4. Adjournment

The meeting adjourned at 5:08 p.m.
