AD HOC SUBCOMMITTEE TO ADDRESS FEASIBILITY STUDY MINUTES

Meeting Type: Ad Hoc Meeting
Meeting Location: 271 Mast Road, Dover, NH
Meeting Date: **Tuesday, October 15, 2024**
Meeting Time: **4:00 pm**

Members Present: Chairman Dave Dinzeo, Doug Kemp, Bill Stafford

Staff Present: Mike Moore, Solid Waste Coordinator; Nancy Usbelger, Recording Secretary

1. Call to Order

The meeting was called to order at 4:00 p.m.

2. Utility Billing

A. Results of Surrounding Communities Using Toters

Moore shared pictures of different size toters for the members to see. He also shared that there should be no discount for residents who qualify to petition for smaller trash toters.

Kemp shared his concern for how to explain to residents the fees that are currently coming out of their taxes to recycle, but will now be charged on a utility bill.

Dinzeo shared that resident will be able to see what funds these fees have been coming out of and what funds they will now be coming out of instead.

Kemp made a suggestion to have the Solid Waste Department reach out to the DES Inspector & NRA to see if we could have a bin dedicated for mattresses and box springs. Possibly only excepting on certain days.

Moore brought up how he really would like some help as far as education and outreach for residents. Possibly even adding another group just to focus on the outreach. He also expects Waste Management should be paying for all the advertising, brochures, radio and media, etc... He wants residents to hear about the program so much that they will have no questions at to what is going on.

B. Development of Utility Billing Model

C. Pricing

3. Future Meeting Date
