Community Services Director John Storer is requesting the following adjustments to the one-sided seasonal parking restrictions.

**Resolution:** Recommend to Chief of Police and City Council.

**Amend 141-48. Schedule I: No Parking at Any Time** for the Dec. 1 to April 1 restrictions.

**Adelle and Sylvan Drives:** Move the starting point that is currently “from the traffic circle” to “from the **westerly outside edge (as posted) and including both sides of the** traffic circle”. This will clarify that the restriction includes both sides of the traffic circle between the two roads.

**Fifth Street:** Move the restriction between Grove Street and Tammany Park from the southerly side to the northerly side. This is due to street becoming a one-way road.
