Re: Nomination of Dover Middle School Dean of Students

---

It is with pleasure that I nominate Dennis Mayo as the Dover Middle School Dean of Students.

Mr. Mayo has had a long career in education. He has held numerous educational leadership roles-- assistant principal, principal, Director of Student Learning and classroom teacher. He is most recently joining us from Cape Elizabeth Middle School in Maine where he served as assistant principal. Not only has he had experience in many different educational leadership roles, but he's also been able to experience the education system in various states-- New Hampshire, Maine, Florida, and Hawaii.

Mr. Mayo has experience serving on multiple district-wide committees, NEASC accreditation, curriculum development, evaluation & supervision, and RTI. One of his schools was a finalist for the National Blue Ribbon Award and earned recognition as a member of the New Hampshire Governor's Circle of Excellence Schools.

I am thrilled to have Mr. Mayo join our team. His experience and expertise will help strengthen our middle school and I look forward to his work with the students in the capacity of Dean of Students for grades seven and eight. His start date will be July 1, 2026 with a salary of \$109,650.09 annualized for the 2026-2027 school year, with no additional stipends or contractual obligations. This is in keeping with School Board policy GCBD.

Sincerely,

Lindsay Dube
