

Dear City Council,

Hi I am Jillian Lurvey I live on 12 Cedarbrook Dr. and I'm 11 years old. I'm not the only kid on my street; we have a lot and sometimes, don't live here. We have about 25 houses that ether have children or grand children in them that come out and play almost everyday. We even have an at-home child care center in one of the houses on our street; they always come out and play. Basically I'm trying to say that we would like a "slow children" sign at the beginning of our street to make it more safe for us kids to come out and play. We used to have one, but when our road was re-done 4 summers ago, it was removed and never replaced. I am here to give you a petition signed by most of my neighbors asking that the sign be replaced.

Thank You for listening to what we have to say.

Sincerely,

Jillian Lurvey
