Appointments Committee Minutes from meeting held 2-13-08

Meeting was called to order at 5:00 in the City Council Conference Room. Councilors Callaghan & DeDe and Mayor Myers were present.

Committee had several interviews scheduled for vacancies to various Boards and Commissions.

Upon completion of the interviews the Committee agreed upon several recommendations to bring to the City Council for approval (see below). A list of names of current Board/Commission members whose terms were about to expire/had expired was compiled. Councilor Callaghan will be forwarding that list to the City Clerk so that letters can be sent out in order to determine if the individual is agreeable to a reappointment to their Board/Commission.

There were two individuals who could not make the interview time slot, and the Committee will be looking to schedule those interviews as soon as possible.

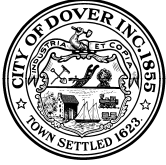

Recommendations to the City Council are as follows:

Reappointments:	Dave Dinzeo	SWAC
	Tom Fargo	Cons. Comm.
	Frank Torr	Planning Brd.
	Judy Mettee	SWAC
New Appointments:	Chris Prior	ZBA – Alternate
	Mike Earley	DUC
	Joe Nicolella Jr.	SWAC
	Otis Perry	DUC – Alternate

It was asked that the City Clerk send out letters to the above individuals (subject to Council approval of appointments) informing them of their respective appointments and providing them with the appropriate contact information.

Meeting adjourned at 6:35.

Minutes respectfully submitted by Scott Myers, Mayor.
