 - A. **Construction Debris Multiple Visit Pass (ex. 10 visits for \$35; 100lb max/visit) - A** C&D multiple visit pass was discussed. After review, it was decided that it didn't seem that the pass was needed. Mike looked at over 400 scale tickets and found only a small percentage to be minimum payment slips.

 - A. **Trash Ordinance Update** - The updated trash ordinance (Chapter 97) was passed through the City Council and will take effect on January 1, 2009. Mike will begin an educational campaign with announcements running on local channel 22, the website and a mass-mailing going out during the month of November to all property owners at a cost of approximately \$5,000.00. The funds will be taken out of the SW Fund balance and was approved by the SWAC members.
 - B. **Leaf Pickup** - Curbside pickup is going well with the contractor. The curbside leaf pickup is scheduled 3 weeks this fall: October 27-31, November 3-7 and November 17-21. Only leaves and yard waste in bio-degradable bags will be collected.
