Mayor,

In my absence, please read this aloud and enter into record as part of the discussion regarding the Horne Street School Joint Building Committee.

After careful consideration I have decided to withdraw my name from the list of interested Councilors. Although there are a few reasons, the one that is the most significant is the opportunity to keep some harmony within our group. Councilors Cheney and Weston will certainly represent the Council to the best of their abilities as they have proven in their previous positions with the Woodman Park School JBC. I do appreciate the shift in the process, that is, the recognition that the opportunity to serve be available to everyone and that a new project does in fact allow for a new committee.

Thank you for sharing my comments.

Steve
