Chairman Lapointe called the special Planning Board Meeting to order at 5:10 p.m. for the purpose of granting final approval to a plat of land belonging to John J. Link and Fred V. Labonte, being an extension to Morin Street.

After some discussion by Board Members on setting the rules in order for approving a subdivision, it was moved by Chick, seconded by Akerman, that the ten day filing period be waived so that final approval could be considered for a subdivision extending Morin Street. The motion was passed unanimously.

The Board then considered under what conditions the final plat should be accepted and it was therefore moved by Chick, seconded by Bernard, that final approval be granted to a subdivision extending Morin Street subject to the approval of the City Engineer to ensure the compliance of the requirements as far as paving, sewer, water and drainage. The motion was passed unanimously.

Before the above motion was passed, Mr. Link deposited \$10.00 for the filing fee on a final subdivision plat and submitted to the Board the \$1,000 performance check and an agreement which enumerated the conditions of the performance check, said two items were to be filed in the City Clerk's Office.

There being no further business, the meeting adjourned at 5:25 p.m. on motion by DuBois, seconded by Akerman.

Respectfully submitted,

R. H. Bardwell  
Acting Secretary
