Apple Harvest Day:

Smashing success. Many bookmarks were handed out. Kudos went out to Harvey and Jeff, the rest of us would like to give some money back to cover cost. The quality of vendors was impressive this year as was the set up.

Jane will try to get a list of vendors so we can see what artists were there.

Joe B Parks Riverwalk sculpture RFP: Joyce tabled until next month

CATA Mural installation and Opening Ceremony:

Can be installed whenever. Would be nice to tie it in with another event such as the Festival of Authors at the McConnell Center on November 13 10:30-1:30

Dover Chamber directory of Art Venues: Press release is out for review. We are waiting to hear back from Kirt and hope to have it complete by Thanksgiving

Report by Blue Crab Naming Committee: Tabled until next month

Inventory of Dover Art Work: Two CATA students have voiced interest Gail and Bob will try to coordinate a time to get that rolling.

Dover Noise Ordinance: Passed around a sample of the Portsmouth web page and the Dover page. Portsmouth was easy to find and Dover is still a bit vague. Gail had a copy of an ordinance that will be reviewed and try to locate the information on the Dover pages.

Business Cards: It is strongly recommended that we use the city template and the city will cover the cost. We had a brief discussion of number and email to use.

Rules for Street Vendors/Peddlers: These are on the Arts Commission web page. Matchbook.org and Artspider links also added. We are waiting for ordinance to be posted.
