Good morning Karen,

Would you please place on your next TAC agenda the following concerns in regards to the property owned by M. Saunders, Inc. located at 50 Broadway, Dover, NH.

The following issues are concerns that I would like to have addressed:

- safety and site distance
- blocking of the driveway
- blocking of the handicap parking space in the driveway
- request for a 2 hour parking sign to be erected

Thank you very much,

Marc Saunders
