5. Form Committee for Review

SCHOOL TRANSPORTATION POLICY

Pupils are expected to conduct themselves properly while riding the buses. Students who violate accepted standards for proper conduct will be reported for proper disciplinary action. Parents will be notified, by the transportation provider, of any violation in writing, including the first or warning violation. Any violation may subject the student to suspension from riding the bus. In the event of such action, notice of this action will be sent to the parent in writing, stating the reason and duration of the restriction. In no case will such action be taken without prior notification by the transportation provider to the child and parent.

Prior notification of a parent/guardian by the transportation provider will consist of a telephone call to the home. If the transportation provider is unable to reach the parent/guardian, a follow-up call will be made later in the evening. If the transportation provider is still unable to contact the parent/guardian, the student will be transported to school the following morning and the school administration will be notified of the incident. The school will then contact the parent/guardian and advise what disciplinary action will be taken. This information will also be provided the transportation provider.

Students are provided with a temporary bus pass for the start of the school year. Permanent school identification passes are created for Middle School and High School students in October or November of each year. Middle and High School students are required to carry a bus pass in order to ride on a district bus. Drivers will ask students to produce a bus pass once a week (usually on Wednesday) in order to maintain accurate student bus riderships. This is necessary to eliminate overcrowding on buses and as a safety measure to identify students belonging on the bus in the event of an emergency.

It is important that all parents/guardians understand that the school's main concern is for the safety and welfare of all students and to ensure that students are transported in an efficient, timely, and safe manner to and from school. Since this should be the concern of parents also, we need parent support and cooperation. Should any parent/guardian feel the need to discuss any situation, concern, or problem relative to his/her child, the parent should feel free to contact the transportation provider at 964-2322 or the Business Administrator at 516-6800.

A. Who is a Bus Student and What Should a Student and Parent Know
Riding the bus is a privilege!

1. A student is considered a bus student if the student is a Dover resident:
 - a. In kindergarten through grade four who lives more than one mile from school
 - b. In grade five who lives more than one mile from school

- c. In grades six through eight who lives more than one and one-half miles from school
- d. In grades nine through twelve who lives more than two miles from school
- e. Identified as having a disability with transportation included in an IEP or 504 plan
- f. Resides in an area designated hazardous by the Dover School Board

The walking distance will be determined by the Geographical Information System (GIS) which measures the actual walking distance as opposed to the radius distance.

There will be a three-tier bus system. Those students in kindergarten through grade 4 will ride together; students in grades 5 through 8 will ride together; and students in grades 9 through 12 will ride together.

- 2. For students who meet the above criteria, transportation will be provided to and from school.
- 3. For safety reasons, we encourage parents of kindergarten aged children to wait with their child at their morning bus stop.
- 4. Parents of kindergarten aged children (or other person as designated below) are required to be waiting at the child's afternoon bus stop or the child will not be released from the bus. The bus driver will return the child to his or her school until a parent can be contacted to pick up the child.

A parent may submit a request to waive this policy to the school's principal. Other appropriate arrangements may be made for the child's safe travel to their home or afterschool care (e.g., walk with older siblings, babysitter, or other responsible adult). An approved waiver must be on file with the school, the bus company, and the bus driver or the child will not be released.

- 5. Special accommodations for transportation of students to other than their normal pick-up or delivery will be allowed only if the student is a current rider and the accommodation is on the student's regular bus run. In cases when a student lives with two parents part time, accommodations may be made to pick up and drop off on a regular schedule at two Dover addresses.

B. The Purpose and Goal of Student Disciplinary Regulations Are as Follows:

- 1. To provide an atmosphere in which safety and welfare of all students are primary.
