Discussion re: April's Land Use Meet and Greet:

- C. Quisumbing-King attended and wanted to sit in on an Energy Commission meeting
- J. Nedelka stated it was a positive experience and noticed various land use board members expressed a common interest in street trees –

Discussion re: proposed tree planting project

- J. Nedelka state that the goal is to identify an area, determine what to plant there, and figure out how to make that happen.
- C. Buford-Paige suggested contacting an arbor organization to get the most cost effective trees.
- M. Alexander working with Norm Fracassa to develop a list of trees.
- E. Goldman suggested fundraising for the tree project.

Discussion re: Solar Power Purchase Agreement Project

- J. Nedelka met with school superintendent Jean Briggs and finance director Mike Limanni to gauge their interest, and had a very productive conversation. They expressed interest in participating but would want the option to opt out if they're not comfortable with the responses to any RFP that is issued. The school was also interested in ensuring that there are guaranteed savings.

Discussion re: Apple Harvest Day

- E. Goldman asked the Commission members to think about a focus for Apple Harvest Day
