## 2014 Recommendations

- Dover Survey in even years and YRBS in odd years
- Dover Survey is a home grown survey that allows us to ask questions that we feel are important
- 120 questions that are the same for all students in grades 7-12

## 2014 Data Uses

- Data will be presented as community data (not as a school problem)
- Helps leverage grant funds
- Allows us to look at trends
- Collecting data is a requirement of current grants and helps apply for new grants
