OLD BUSINESS

The Police Facility Building Committee entered the non-public session.

Captain Bill Breault informed the Committee about the preliminary total project budget and cost of potential sites. It was determined that the budgeted amount for the land purchase would be approximately \$400,000.00. After a brief discussion, it was determined that the St. Charles Church site, Robbins Auto site, Locust Street East site, Locust Street West site, 80 Rutland Street, 23 Cataract Avenue and 181 Silver Street were too cost prohibitive and would not be evaluated further at this time.

A motion was made by Tony Colarusso to seal the minutes to the non-public session due to the consideration of future negotiations, which was seconded by Sean Mask. A roll call vote was taken, and all members present were in favor.

A motion was made by Tony Colarusso to adjourn the non-public session and re-enter the public session which was seconded by Chris Parker. All members present were in favor.
