

## **MARSHWOOD HIGH SCHOOL**

### Pros

No cover base in public areas

Lots of Natural light

Networked printers and all laptops

Natural stone look in public halls

Badge system thru out

One way in and out of school

### Cons

Lots of hiding places throughout

Library is too small and low tech

No motion or photocells on lighting

Wallpaper in library

Floor outlets

Camera system was not installed initially

Formica tops all failing and chipping

Pod rooms installed as computer rooms

Small class sizes and awkward designs

No projectors

White boards and bulletin boards are not moveable

Lighting controls too complicated

No AC in gymnasium

Pods all look the same

Poor signage thru out

No small lecture hall

No storage
