We appreciate the opportunity to provide you with this Proposal for **Surveying Services** for the above referenced project in Dover, New Hampshire.

Tritech Engineering Corp. was established in Dover in 1992 and we have enjoyed and maintained a strong relationship with the Dover Municipal Government for over twenty years. We provide this type of work to Dover on a consistent and very successful basis.

This project falls well within our abilities here at Tritech and we are very excited to have an opportunity to be involved in such a landmark project.
