

GregWestPhotography
Capturing the Hidden Secret

Statement of interest and qualifications.

Greetings Committee members & Architects representatives,

I am Greg West, owner of Greg West Photography, a locally based provider of commercial photography services for the architectural design & building industries. GWP has been providing our services to Architects, Builders, Owners, and suppliers for twenty-six years.

I am submitting this letter of interest regarding the potential, upcoming project photography needs for the Dover High School and Regional CTC construction.

Qualifications:

Twenty-six years photographing the building industry.

- Public relations images of events, ground breakings, etc.
- Aerial photography of sites for developers, owners, etc.
- Construction progress photos for project documentation, special processes, and or installation of project materials.
- Final project photography for all parties marketing programs.

Digital capture and storage of high-resolution digital images:

- Canon 5D & 6D high-end digital cameras & lenses
- On-site & online back up of all files
- Online image preview system
- Online file management and delivery system
- Online print ordering & fulfillment
- Video for PR, Marketing, etc.

Experience:

- DeStefano Architects; Abeniqui Country Club expansion
- Lavalle Brensinger: IDEXX Pharmaceuticals expansion
- EYP Architects: UNH Educational Projects

- Kawneer- NH Project photography
- Viracon- National project photography
- SOTA WALL- New York project photography

I would welcome the opportunity to submit proposals for any or all of the photography needs for the Dover High School and Regional CTC construction project.

Thank you for your consideration.
