RE: Donation Approval
DATE: March 9, 2015

The Seacoast Educational Endowment Dover (SEED) has generously donated a Chromebook cart to the Dover School District valued at approximately \$7,500.00. SEED is a 501©3 nonprofit organization that provides support through grants to teachers for innovative programs, practices and resources from donations from the community.

The mission of SEED is to promote academic excellence, champion technology and innovation and provide the means to elevate educational opportunities for students so that Dover schools offer the best in public education to meet 21st century demands.

I would like to respectfully request your acceptance of the donation noted above. School Board policy KCD requires that gifts of \$500 or more must be approved by the School Board. Thank you for your consideration and thank you to SEED for their generous donation.
