Meeting Time: 7:00pm

Members Present: Jessica Bonello, Tim Paiva, Pat Campbell, Christoph Cloitre

Meeting began at 7:05

Approval of Agenda: Tim made motion; seconded by Jess

Approval of Minutes from 9/21: Jess made motion; seconded by Tim

Reports:

Gary

Dehumidification system is working and doing well

Met with service guy about controls; discussion later about boiler system that may affect this project

Mick

Fall lessons start tomorrow

Nov 16th-high schools start; pool schedules will change slightly

Lifeguards are still needed

Outdoor pool is covered and winterized

Long Range

Tim reported that issues with the 501c3 have been resolved; everything is back on track and moving forward

Finance and Budget

Gary reported that we are on track with last year's expenses

The only big purchase this year was lane lines for the outdoor pool

Energy use/cost might be down with the dehumidifier working

Old Business:

New lights are great

There are 4 settings over the pool

They are currently being used at 75%. They can be turned down depending on the activity to conserve energy.

Maintenance of these lights is virtually non-existent

Tim expressed concern that some lights need to be readjusted so that they aren't directed at beams.

Tim questioned if we could get lights at the outdoor pool.

Henry Law Park Update

Gary reported we are close to starting!

The Community Services Department will do the demolition work; it will be fenced in.

A sewer main that is cutting under the playground will be re-directed.

Spring will see the building; will be ready by summer

Apple Harvest Day Review

We all agreed it is worthwhile to continue having a booth. We talked to the public about lessons and therapy swim.

People expressed interest in the infant self-rescue training

New Business:

CIP budget has been submitted. A new boiler system has been included. They are over 15 years old and have been flooded twice. The other item included was some money for natural lighting in the pool (maybe something by the garage doors.) This is undecided as it will have to tie into the park project.

Other:

John O'Connor asked that we all vote on Nov 3rd

Adjournment:

Tim made a motion to adjourn; seconded by Jess
