Dear Mayor Myers,

I am in receipt of your letter of August 22nd outlining the problems that exist with Willand Pond. I appreciate the cooperative approach to these problems that you suggest.

In response, I have contacted Senator Cilley, who represents Somersworth, and we are coordinating schedules to request a joint meeting with Commissioner Burack at the Department of Environmental Services. I will contact you again following that meeting.

Sincerely,

A handwritten signature in cursive script that reads "Iris Estabrook".
