- Trail Clean Up Recap
 - Jon gave a recap of the trail clean up on November 14. The high school students were great help getting larger items to the trail collection area. Bryant brought a thank-you card that the group signed for the high school students. There was lots of help and the trail looks wonderful, but it may be a good idea to get groups to adopt sections to clean up and to schedule one for the spring. Anyone interested in joining a subcommittee regarding clean-ups should email Bryant.
