

JBC Monthly Status Report – February

DHS–CTC Building Project

- The committee provided preliminary site plans and information to the School Board at the Feb 11, 2015 meeting. HMFH was available that evening to answer questions. Complete preliminary site plans and specifications for the Design Development phase will be made available electronically to the School Board on March 15, 2015 in order that they may be reviewed for approval at a special session on March 21, 2015.
- The committee successfully submitted an application to the XQ Super School Project including video shorts put together by Mike Gillis on Feb. 11, 2015. Invitations to the “Develop” phase will be issued April 1st. If the DHS-CTC Building Project Team is invited to participate, the “Develop” application will be due in May 2015 (the specific date has not yet been released). Winners will be announced August 2016.
- The committee voted to allow Nobis to proceed with the Design Development phase for the turf field. HMFH, Nobis, and the committee are comparing turfgrass types, including organic options, in order to determine the one most appropriate for Dover.
- HMFH has sent out the RFP for a Commissioning Agent, although it has not yet been decided whether or not they will be hired through HMFH or directly through the Joint Building Committee.
