

JBC Monthly Status Report – October 2016

DHS–CTC Building Project

- The committee has had a few questions from community members and followed up with each one individually. Most concerns brought up were either already taken care of or in the process of being addressed.
- Blasting has been completed successfully.
- The committee continues to work with the building inspector and fire inspector regarding life safety issues.
- The committee continues to work on fundraising letters for possible donors and is working with Mike Gillis on a website page to assist in the process and a “look book” for the project.
