

Reasons NH Youth Support TOBACCO 21

Reason #11: Tobacco Free Generation

“It prevents the youth from starting to smoke tobacco. In the future, less and less people will smoke!”

Reason #12: Friends Already Addicted

“I’m concerned about my friends
who are only 18 and already
smoking.”

Reason #13: Most Smokers Get Addicted As Teens

“My grandmother started smoking at age 16 and we lost her too soon to lung cancer, which didn’t have to happen. Lets keep teens from starting so this doesn’t happen to others.”

Reason #15: Health Impacts

“My grandfather started smoking in high school and it affected him through his entire life. In the end, it caused 3 types of cancer that, after a long battle, did kill him. I don’t want anyone else to go through this.”
