Re: Nomination for Director of Technology

It is with pleasure that I nominate Angela (Christy) Prosser as Director of the Technology. Currently, Ms. Prosser serves as the Director of Technology for the Hooksett, New Hampshire School District. Prior to that, Ms. Prosser served as a Georgia Public Schools educator and administrator for 20 years serving in director roles for technology, data analysis, budget, school safety and as a member of several Superintendent's cabinets. She has worked extensively with a multitude of software applications, communications, and problem-solving matters related to software integration and applications and network infrastructures.

I am confident that Ms. Prosser will be a great addition to the Dover School District Cabinet and Leadership Team and I would like to extend her an annual contract with a salary of \$90,000.00 with no additional stipends and/or contractual obligations.

Dover School District Mission Statement

Empowering all Learners
