Dear Dr. Harbron,

I am writing this letter to inform you of my decision to retire from the Dover School System at the end of this upcoming school year.

I feel fortunate to have spent some of my teaching time here. I have met some fabulous people, learned some valuable skills and had some interesting experiences.

I had planned to work a few more years here; however, this school year has already provided me with such mixed feelings about public education in general and the Dover School system in particular, that I feel I cannot in good faith continue in this position. I would be happy to meet with you if you would like further information.

It has been a pleasure working with you.

Sincerely,

Cathy Calandriello
