TO: Members Dover School Board
Dr. William R. Harbron, Superintendent of Schools
FROM: Libby M. Simmons, Business Administrator
DATE: January 28, 2019
RE: Award for *Bobcat Compact Track Loader*

The replacement of light equipment purchases for the school department is in the established FY2019 Capital Improvement Plan. Two pieces of equipment owned by the District are at their end of life, the Steiner tractor and Ford Ranger.

The Dover School District is a member of Sourcewell, formally the National Joint Powers Alliance (NJPA) and therefore may purchase utilizing any of their cooperative purchasing agreements. The District has acquired a quote from a local distributor for a piece of equipment that will best serve the District.

Michael Brooks, Facilities Director, has assisted in the procurement of this new piece of equipment which will replace both the Steiner tractor and Ford Ranger. I request that the School Board proceed with an award to Bobcat of New Hampshire in the amount of \$48,555 to purchase a new T450 T4 Bobcat Compact Track Loader. As this new piece of equipment will be utilized district-wide, the funding source for this equipment will be split 50/50 between the District's General Fund and the Facilities Special Revenue Fund. As a member of Sourcewell, the discount on this piece of equipment is approximately 26% or \$17,111.

Bobcat of New Hampshire,Chichester,NH
