Cooperstown Extended Travel Request

In regards to Paragraph: 2-The trip to Cooperstown and the Baseball Hall of Fame has been a long standing tradition on an odd year bases since 1995. The players/managers/coaches are able to experience the cultural significance of Americas Pastime through visitation of the Hall of Fame, and competing on Doubleday Field-itself an historical landmark as it was built during the Great Depression.

In regards to Paragraph: 3-We have usually traveled during April vacation, this season we are able to do so. We will play April 20. No school days will be missed.

In regards to Paragraph: 4-The DHS Baseball booster club is responsible for the financial portion of the trip. Student athletes/managers/coaches will be required to pay for personal sundries and souvenirs.

In regards to questions:

1. The educational value is immense. What the student athletes/managers learn about baseball and the history of America can't be duplicated. Every person who has participated in this trip over the past 24 years has left the trip with a significantly greater appreciation for the game and our country.
2. We do not require a travel agent.
3. The travel dates are April 20, and April 21. The game is played April 20.
4. See attached.
5. Dependent upon student athletes desires. Student is responsible for 1 lunch, 1 dinner and souvenirs.
6. Based in NHIAA and DHS Athletic policies and procedures.
7. Pre-season meetings, NHIAA and DHS policies and procedures cover this.
8. NHIAA and DHS policies and procedures cover this.
9. Athletic Director approved, waiting for Principal and Superintendent.
10. We will not require a substitute.
11. There is no financial benefit for the coaching staff.
12. The cost to the district is limited to the cost of a typical bus trip to our away games that would be incurred to play the contest anyway. Therefore there is no additional cost to the district.

Additional questions:

1. These are all on file as required under NHIAA and DHS policies and procedures.
2. The coaching staff(s) are the chaperones.
3. 5-1.
4. NHIAA and DHS policies and procedures cover this.
