Dear Dr. Harbron, Mr. Boodey and Dover School District,

This past July I welcomed my daughter and son into the world. I am currently on maternity leave and due to be back late November. I would like to request a leave of absence through the end of the 2019-2020 school year per the DTU Contract. I understand that this leave is unpaid. As much as I love teaching, my twins need my full attention the first year of their lives.

Thank you very much for your consideration.

Sincerely,

Samantha McGuire
