Subject: Budget hearing

Security Notice: This email originated outside the City of Dover mail system. Please use caution with hyperlinks or attachments.

I am urging you as the representatives of the city to keep the budget under the cap! Why bother to have a tax cap if you just keep overriding it year after year. In these trying time it is time for you all to do your do diligence in producing a tax cap budget.

We the people of Dover deserve this .

Thanks Gary Gagne 86 Longhill Rd
