Subject: School budget

Security Notice: This email originated outside the City of Dover mail system. Please use caution with hyperlinks or attachments.

In this time where taxpayers are seeing loss of jobs, reduced work hours, economic deficits due to the volatility of investments (especially for seniors), as well as many other reductions of useable income, I would like to see the new school budget and the city budget remain flat from last year's. This would provide relief for all Dover taxpayers.

Thank you for your consideration.
