Hi Bob,

Thank you for your email. The executive board has recently discussed how Dover Main Street can serve our community during this time. In addition to our social media presence, we have identified ways to adapt (to benefit our community) when normalcy returns. We will have a remote board meeting in the coming days to solidify our ideas. I'm happy to share our plans with Mike, Reid, and the city council once they are in place.

Best,

Is there a thought that DMS could step it up and help out during these tough times? We do have water that we should donate and maybe some kind of promo reach out to downtown businesses. Maybe Reid could advise us as she has been very involved and doing a great job.... THANKS and be safe!!!
