Good afternoon Council Members,

First, I would like to thank you all of you for your hard work. Being a council member is a difficult job during ordinary times. I can only imagine how much more difficult your job is during a global pandemic. Again, thank you for all that you do.

I'm writing today in support of our school budget. I'm asking you to please pass the proposed budget as-is. I think the school board has done a great job preparing this budget while keeping in mind what's going on in our economy due to the global pandemic.

Sincerely,

Maritza Corriveau
