Good Morning Councilors,

First, thank you for your comminuted support and dedication to the city of Dover. It is your leadership that continues to guide Dover towards positive growth and a strong community.

I am writing in support of passing the school budget as is. If we don't support education in Dover through appropriate class sizes and appropriate support personnel we will negatively impact the future of the children in our community and the future of our City.

Please vote for education!

Sincerely,
The Cotes- Josh, Kyle, Asher and Mayer
