Dear Ms. Badger,

My name is Tayler LaHaise and I have taught Latin at Dover High School for the past four years. An opportunity for me to teach at Merrimack High School came up, and for personal reasons, I have decided to pursue this position. Therefore, I will not be returning to Dover for the 2020-2021 school year. Please accept this as my formal letter of resignation.

Throughout my four years at Dover, I truly have been blessed to work in a district that values education, relationships, and community. Not many people can honestly and truthfully say this. In addition to this, Dover has provided me many opportunities to be involved in school and community sanctioned extracurriculars. These have included participating in the Granite State Certamen, Classics Day for Students at St. Anselm College, the Phillips Exeter Academy Forum, and being advisor to Dover High School's World Culture Club.

These unique experiences have taught me the value of forming and maintaining relationships with students, colleagues, and the school community as a whole. I strongly believe that my time at Dover High School has bettered me as an educator, showing me what it means to continually evolve, engage, and innovate inside and outside the classroom. I could not have done this without the support of Dover's administration, faculty, and students.

It was an extremely difficult decision to even consider leaving the Dover community but considering my future, being closer to home has become a priority. I would like to extend my gratitude to Peter Driscoll, Emily Sherman, Kim Stephens, and especially Jennifer Connelly and Greg Grande in the World Language Department for being such supportive and amazing colleagues these past four years.

Sincerely,

A handwritten signature in cursive script that reads "Tayler LaHaise".
