Subject: DHS Graduation - for School Board meeting 5/19/20

Hello,

I'm contacting you regarding the DHS Graduation ceremony for the class of 2020. I am in support of a physical graduation – in whatever form that can be, rather than a virtual graduation. There are many school districts in New Hampshire who are able to have physical graduations and I would hope that the City of Dover can do something similar for our seniors who've worked very hard to get to this point. Our city has the ability to do something better for our kids than just a virtual graduation.

Please consider this my input for the School Board meeting taking place today, May 19, 2020.

Sincerely,
Jamie Willett
