Dear Council Members,

Please reconsider your decision on continuing Dover's Mounted Patrol Unit. Without the Mounted Patrol Unit, Dover will not be the same.

From the young to the older citizens of Dover (and our neighbors from surrounding communities visiting Dover) there is a feeling of security and reassurance of living in our safe city because of their presence.

As a lifelong resident of Dover, it thrills my heart to see the children interacting with the officers and the horses. Many years ago as a child, we did not have the Mounted Patrol Unit. If we had, I can truly say my life would have been very different.

The Mounted Patrol Unit completes Dover. The Mounted Patrol Unit is Dover. For the many wonderful years with them and praying for many, many more years to come with them.

When my family would drive by the horse barn, it was a thrill to pull the car over for a minute or two to quickly say hello to CJ and Benny and previously Rasa. They would look over while munching their hay to give a quick nod to say hello back. Now, it is very sad to go by and not see them or the officers. But we keep driving by, hoping to have a wonderful surprise and to see them again.

Please, please bring the Mounted Patrol Unit back. Please.

Respectfully,
Karen A. Killer
