Subject: Please keep the Mounted Patrol

Security Notice: External sender. Use caution with hyperlinks or attachments.

As a Dover resident for the past 5 years, seacoast resident for 15 years, and New Hampshire resident for over 35 years, I urge you please to not dissolve the Dover Mounted Patrol. They bring such a sense of pride and community to our great city, and especially in today's climate of uncertainty and animosity towards police, the Dover Mounted Patrol is a bright spot, radiating security and kindness.

Thank you.
