I am respectfully requesting that you keep the Dover mounted Police.

They are a staple to this City. Not only does it give them a better view on days like Apple Harvest Fest, outside music at Henry Law Ave. It also gives the community to interact with the police. They are a sight of joy every time I drive by when they are out .

It would be a big mistake by this Cory council to remove the mounted patrol.

Sincerely,
Meaghan Lavoie
21 Campfire Drive
