To The Council ,

I'm writing today in response to the possible elimination of The Dover Mounted Patrol.

I'm writing in support of keeping the Patrol. As well as the important fact they are a great law enforcement, their presence in town has become such a icon.

I love the fact that the community participates in the acknowledgement of the horses . The children love looking for them and able to interact with them .

If this a budgetary matter

I would ask that you seek to find cuts in other areas . As an alternative, I would recommend you reach out to the community to solicit Corporate Sponsorship or individual Contributions .

The City Of Dover must not lose this important Part of the Downtown Culture.

Thank you for your Consideration
